

## SAP Sybase SQL Anywhere 17 Order Form

Now that you're ready to upgrade to the benefits of PerioVision 16—including boosted performance and enhanced tools to grow your practice—we highly recommend\* that you upgrade to SAP Sybase SQL Anywhere 17 before you install PerioVision 16. PerioVision uses the Sybase database, and upgrading to the latest version will ensure you take full advantage of the performance benefits of PerioVision 16. To upgrade to SAP Sybase SQL Anywhere 17, fill out the form below, and **fax the completed form to us at 801.847.3814.**

For assistance identifying the version of SAP Sybase SQL Anywhere on your network, please call technical support at 800.323.3370, option 2.

|                              |                                  |  |
